CERTIFICATE VERIFICATION SAMPLE

Certificate Verification

The Certificate Verification System is a secure and reliable digital platform designed to verify the authenticity of issued certificates quickly and accurately. It helps students, employers, and institutions confirm certificate details in just a few clicks.

The screenshot shows a web browser window with the URL dpdigitaleducation.in/verification/CN1SGJ1K9Q. The page features a dark blue header with the text "Certificate Verification" and a "Verified" badge. Below the header, it states "This certificate is proudly presented to" followed by a circular profile picture of a man and the name "Sunil kumar S/O Jagdish Prasad". A table displays the certificate details:

CERTIFICATE NUMBER	DATE ISSUED
CN1SGJ1K9Q	20 Dec 2025

Below the table, the section "Course Information" is visible, mentioning the completion of a "DIPLOMA In COMPUTER APPLICATION(M-CA-4070)". The browser's taskbar at the bottom shows various application icons and system information like the date and temperature.

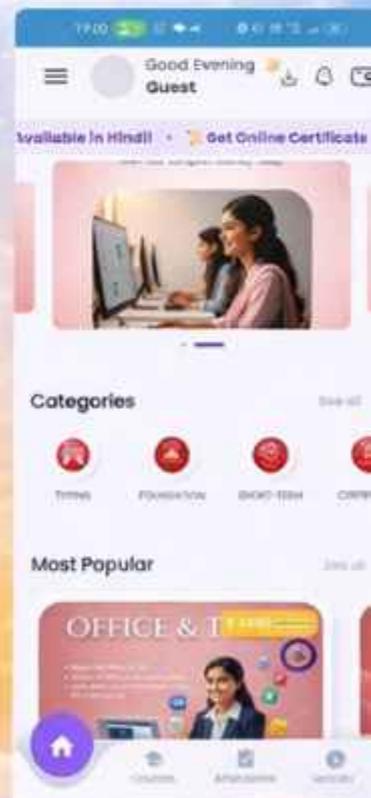

"हर प्रमाणपत्र की सच्चाई, एक क्लिक में।"

Student Application

The Student Application is a smart digital platform designed to manage student admissions, records, and course details in an easy and organized way.  

it allows institutes to register students, track progress, manage documents, and generate certificates efficiently.

-  Easy Online Registration
-  Digital Record Management
-  Course Enrollment System
