ET&T COMPUTER EDUCATION & TRAINING

Message from the Director

Dear Students, Parents, Guardians and Well-Wishers,

It is my great privilege and pleasure to welcome you to **ET&T Computer Education & Training**.

Education is not merely the acquisition of knowledge; it is the process of building **character, confidence, discipline, competence and a sense of responsibility**. In an era of rapid technological advancement, our endeavour is to combine the **values of traditional education with the skills of modern technology**, enabling our students to face the challenges of tomorrow with confidence.

At ET&T, we firmly believe that **every student possesses unique potential**. Our responsibility is to recognise that potential, nurture it through proper guidance and practical training, and provide an environment where knowledge can be transformed into professional excellence.

For many years, ET&T has remained committed to providing **quality computer education, practical skill development and career-oriented training**. We continuously strive to keep our courses relevant to the changing requirements of industry and society while maintaining our core values of **integrity, discipline, quality and commitment**.

Our aim is not simply to teach students how to use technology, but to prepare them to **use knowledge wisely, work professionally and contribute meaningfully to society**. We consider the success of our students to be the true measure of our institution.

I sincerely thank all our students, parents, faculty members, staff, industry associates and well-wishers for their continued **trust, support and faith in ET&T**.

I extend my heartfelt best wishes to every student who enters our institution with a dream. **May your dedication, hard work and perseverance turn those dreams into achievements.**

Let us learn with purpose, work with sincerity and move forward with confidence towards a brighter future.

With warm wishes for your success and prosperity,

Tapan Kumar Mondal

Director

ET&T Computer Education & Training, Durgapur

"Knowledge Builds Character Skills Build Careers Education Builds the Future"

ET&T COMPUTER EDUCATION & TRAINING

Why Choose Us? — Career & Skill Development Prospectus

ACADEMIC YEAR 2026-27

01 28+ YEARS OF EXCELLENCE

With over 28 years of experience in computer education and professional training, ET&T has built a strong foundation of knowledge, skills and career-focused learning.

02 GOVT. OF INDIA AUTHORISED

A professionally managed training institute committed to quality education, recognized credentials and industry-relevant training standards.

03 INDUSTRY-RELEVANT COURSES

Career-oriented training in Computer Applications, Advanced Excel, Data Analytics, Tally & Accounting, CAD/CAM, Programming, SAP, Interior Design and other emerging technologies.

04 EXPERIENCED FACULTY

Learn from experienced trainers with a focus on clear concepts, practical demonstrations and dedicated individual attention.

05 PRACTICAL & HANDS-ON TRAINING

Our training approach goes beyond theory through rigorous exercises, practical assignments, projects and real-world application scenarios.

06 CAREER & JOB ASSISTANCE

Comprehensive career guidance, interview preparation and job assistance to help students move confidently towards employment and professional growth.

07 PROFESSIONAL CERTIFICATION

Course completion certificates are provided to eligible students, strongly supporting their academic and professional profiles.

08 STUDENT-FOCUSED LEARNING

A supportive and encouraging learning environment with doubt-clearing assistance and close attention to every student's individual learning needs.

09 CORPORATE & INSTITUTIONAL TRAINING

Customized training solutions designed for businesses, organizations and institutions according to their specific skill-development requirements.

★ OUR CORE MOTTO

Empowering the next generation of professionals with cutting-edge technical expertise, confidence, and industry readiness.

ET&T COMPUTER EDUCATION & TRAINING

🇮🇳 EASY NO-COST CREDIT CARD EMI AVAILABLE FOR ALL COURSES • BUILD YOUR IT SKILLS WITH LOW COURSE FEES

CERTIFICATE & FOUNDATION PROGRAMS

CERTIFICATE COURSE IN COMPUTER APPLICATIONS (CCA)

Duration: 3 Months (Weekly 2 Classes, 2 Hrs Each) | Eligibility: 10th Pass

Standard Fee: ₹6,000

Discounted: ₹4,500 [GEN] | ₹4,150 [SC/ST/DP/OBC]

SCHEME OF STUDY:

Paper-I Theory & Practical: Introduction to Computer Applications, Typing Tutor & Practice, Operating Systems (Windows/Linux), Word Processing in detail (MS Word 2024), Spreadsheet (MS Excel 2024) in Detail, Presentation using MS-PowerPoint 2024, Outlook Express, MS FrontPage, MS Access, System Tools, Virus, Internet & E-Commerce, Digital Transactions & OTP, etc.

CERTIFICATE COURSE IN COMPUTER CONCEPTS (CCC)

Duration: 3 Months (Weekly 2 Classes, 2 Hrs Each) | Eligibility: 10th Pass

Standard Fee: ₹6,000

Discounted: ₹4,500 [GEN] | ₹4,150 [SC/ST/DP/OBC]

SCHEME OF STUDY:

Paper-I Theory & Practical: Introduction to Computer Applications, Typing Tutor & Practice, Operating Systems (Windows/Linux), Word Processing in detail (MS Word), Spreadsheet (MS Excel) in Detail, Presentation using MS-PowerPoint, System Tools, Virus, Internet & E-Commerce, Digital Transactions & OTP, etc.

CERTIFICATE IN DATA ENTRY & OFFICE AUTOMATION (CDEOA)

Duration: 4 Months (Weekly 2 Classes, 2 Hrs Each) | Eligibility: 10th Pass

Standard Fee: ₹8,000

Discounted: ₹8,000 [GEN] | ₹7,200 [SC/ST/DP]

SCHEME OF STUDY:

Paper-I Theory & Practical: Introduction to Computer (FOC), Typing Tutor, Operating Systems (Windows/Linux), Advance Word Processing (Advance MS Word 365), Spreadsheet (Advance MS Excel 365), Presentation using MS-PowerPoint 365, DigiLocker usage, Internet, E-Commerce, Data Entry, E-mail, Social Networking, e-Governance Services, Digital Financial Tools & Applications, Overview of Cyber Security, Future Skills & AI Tools (Copilot & ChatGPT). *Includes separate Typing Practice & Speed Test.*

DIPLOMA IN COMPUTER APPLICATIONS (DCA)

Duration: 6 Months | Eligibility: 10th Pass & Above

Standard Fee: ₹46,600

Discounted: ₹13,280 [GEN] | ₹11,952 [SC/ST]

Installments: ₹6,890x2 / ₹3,570x4 [GEN] | ₹6,226x2 / ₹3,238x4 [SC/ST/PH]

SCHEME OF STUDY:

Paper-I: MS Office (Word, Excel, PowerPoint), MS Access, OS, Internet, E-Commerce & Digital Transactions.

Paper-II: C Programming & Elective (C++ OOPS concepts, functions, classes, inheritance OR Oracle SQL, PL/SQL & Schema Manager). Practical project included.

ADVANCED DIPLOMA & POST GRADUATE PROGRAMS

ADVANCED DIPLOMA IN INFORMATION TECHNOLOGY (ADIT)

Duration: 1 Year (Weekly 2 Classes, 1.5 Hrs Each)
| Eligibility: 10th Pass

Standard Fee: ₹30,000

Discounted: ₹24,000 [GEN] | ₹21,600 [SC/ST]

Installments: ₹12,250x2 / ₹6,250x4 / ₹3,000x9 [GEN] | ₹11,050x2 / ₹5,650x4 / ₹2,733x9 [SC/ST/PH]

SCHEME OF STUDY:

Section I: Paper-I (MS Office 2024, System Tools, OS, Digital Transactions) & Paper-II (Web Tech, HTML, CSS, DHTML, JavaScript, Animation, Multimedia).

Section II: Paper-III (C Programming & OOPs with C++) & Paper-IV (Visual Basic Programming, Forms, Controls, Windows API, MDI & Interfacing with MS-Office, FOC). Includes VB Project.

POST GRADUATE DIPLOMA IN COMPUTER APPLICATIONS / IT (PGDCA / PGDIT)

Duration: 1 Year | Eligibility: Graduation

Standard Fee: ₹46,000

Discounted: ₹34,960 [GEN] | ₹31,464 [SC/ST]

Installments: ₹9,250x4 / ₹6,333x6 / ₹4,875x8 [GEN] | ₹8,875x4 / ₹6,083x6 / ₹4,687x8 [SC/ST/PH]

SCHEME OF STUDY:

Semester-I: Paper-I (Office 365, Internet, E-Commerce, OS) & Paper-II (System Analysis & Design, SDLC, C Programming or Visual Basic with Project).

Semester-II: Paper-III (OOPs with C++, HTML or Java Programming) & Paper-IV (DBMS, Oracle, Fundamentals of Computer, Personality Development & Communication Skills). Project in HTML/Java.

Important Admission Guidelines & Requirements

- Document Submission:** After online admission, students must submit photocopies of their Last Qualification Marks Card / Certificate and Aadhaar Card / Passport. Originals must be produced for verification if requested.
- Photographs:** 3 recent passport-size photographs must be submitted at the center.
- Admit Card / Qualification Proof:** Mandatory submission prior to course commencement.
- Fee Concession (10% Additional Scheme):** Applicable strictly for SC (Scheduled Caste), ST (Scheduled Tribe), DIF (Defence & Ex-Service Personnel), and PC (Physically Challenged) candidates.
- Online Portal:** Apply online at www.etntskilltraining.com.

Regular Track: 1.5 Years (2 Classes/Week, 1.5 Hrs Each)

Fast Track: 9 Months (4 Classes/Week, 1.5 Hrs Each)

SEMESTER - I

- Computer Fundamentals, Applications & IT Tools | Windows 11
- MS-Office 365 (Advance Word with AI / Advance Excel with AI / Advance PowerPoint with AI) **AI INTEGRATED**
- Internet, E-mail, E-commerce, Concept of Digital Marketing, DigiLocker
- Future Skills & Artificial Intelligence Overview (Use of AI Tools: Copilot, ChatGPT & Perplexity Pro)
- Problem Solving through C Language | Introduction to Object-Oriented Programming with C++
- Data Structure through C Language
- Internet & Web Designing (HTML5, JavaScript, VBScript, CSS)
- **PROJECT** Web Designing Project

SEMESTER - II

- PHP, MySQL & Concept of Payment Gateway Integration
- Introduction to Internet Application Programming with Core JAVA & J2EE System
- PYTHON Core Programming
- Android Core Programming
- **PROJECT** Live Project in Android / Python with MSSQL / PHP with MYSQL / Live Web Page Hosting with Domain

SC / ST / PH / DP Category	Rs. 70,000/-	Rs. 48,510/-	24630x2 16670x3 12960x4 10302x5 8710x6

ADVANCED DIPLOMA IN DATA ANALYTICS (6 MONTHS / 24 WEEKS)

PROGRAM OVERVIEW

Eligibility: Open to graduates (B.Tech, BCA, B.Sc. IT, B.Com, B.A.), ongoing final-year students, and working professionals. Basic computer literacy required.

Transform into a job-ready data professional through our intensive 24-week curriculum. Features 70% hands-on lab sessions, working directly with real-world business datasets across retail, finance, healthcare, and IT.

Key Highlights: Classroom, Online & Hybrid options available. Includes dedicated resume building, technical mock interviews, and career placement assistance.

CURRICULUM STRUCTURE (24 WEEKS / 6 MONTHS)

Methodology: Experiential learning, workspace simulations, code reviews, and direct mentorship.

INVESTMENT & FEES

Standard Course Fee	₹42,750
Special Discount (25%)	-25%
One-Time Special Price	₹32,062
Alternative Option / Adjusted SC/ST/DP	₹27,787

Phase	Module Name	Core Topics Covered
Month 1	Data Analysis Foundations & Advanced Excel	Analytics lifecycle, CRISP-DM model, advanced Excel formulas, data cleaning, pivot tables, univariate/bivariate analysis.
Month 2	Python Programming for Data	Python syntax, control statements, data structures (lists, dicts, tuples), functions, core libraries (NumPy and Pandas).
Month 3	Statistics & Exploratory Data Analysis (EDA)	Descriptive & inferential statistics, probability, hypothesis testing (T-tests, ANOVA), variance, correlation, data distributions.
Month 4	Database Management: SQL & NoSQL	Relational databases, complex SQL queries, joins, subqueries, aggregations, data constraints, introduction to MongoDB.
Month 5	Data Visualization & Business Intelligence	Data storytelling, creating interactive executive dashboards using Microsoft Power BI.
Month 6	Capstone Project & Career Preparation	End-to-end industry capstone project, portfolio development, resume structuring, aptitude training, and mock interviews.

Easy Payment Facilities Available: Ask for Credit Card Easy EMI

NO COST EMI

DIPLOMA IN FINANCIAL ACCOUNTING (DFA)

Comprehensive Basic-to-Advance Financial Accounting & GST Operations

Flexible Duration Options:

- 1 Year (2 Classes/Wk, 1.5 Hrs)
- 6 Months (2 Classes/Wk, 3 Hrs)
- 3 Months (4 Classes/Wk, 3 Hrs)

MODULE I: OFFICE AUTOMATION & PRODUCTIVITY

- MS Office 365 Core Applications
- Advance MS Word (Formatting, Documentation)
- Advance MS Excel (Formulas, Pivot Tables, Analysis)
- MS PowerPoint (Professional Presentations)

MODULE II: FINANCIAL ACCOUNTING & ADVANCE TALLY PRIME WITH GST

- Basics, Principles, Concepts & Conventions
- Bank Reconciliation & Final Accounts
- Recording Procedures & Computerized Accounting
- Depreciation, Hire Purchase & Installment
- Interest Calculation, POS, Budgeting, BOM
- GST Concepts, Activation & Rate Setup
- Stock Items & Stock Groups GST Setup
- Party GSTIN Updating & GST Ledgers (CGST, SGST, IGST)
- TDS & TCS Implementation in Tally
- Payroll Accounting & Comprehensive Reporting
- Sales (Nil Rated, Exempt, SEZ, Deemed Export)
- Sales & Purchase Returns, Reverse Charge
- E-Way Bill Generation & Portal Integration
- EEZ & Deemed Exports GST Notifications
- Quarterly e-TDS/TCS Filing via Latest Tools
- GST Reports (GSTR1, GSTR2, GSTR3, GSTR3B) & Computation

MODULE III: ADVANCED ADJUSTMENTS & VOUCHER OPERATIONS

- Journal Vouchers for Tax Credit Refund
- Manufacturing Unit Journal Vouchers
- Advance Receipts from Customers & Advance Payments
- Journal Vouchers for TDS Adjustments

MODULE IV: ONLINE FINANCIAL TRADING & INVESTMENT MARKETS

- Equity, Bonds, & Debentures Trading
- Mutual Funds (SIP, STP, SWP Investment Procedures)
- Online Equity, Currency, & Commodity Trading
- DEMAT Account Operations & Net Auctions

MODULE V: BANKING, CORPORATE TAXATION & PAYROLL MANAGEMENT

- Online Payment Modules, Debit/Credit Card Operations
- Internet Banking (IMPS, RTGS, NEFT)
- PAN Application Procedure (Form 49A)
- Banking Loan Projects & Housing Loan EMI Calculation
- Projected Balance Sheet Preparation
- Statutory Registers: Attendance, Salary, Pension, Leave
- Pay Slip Generation & Allowances (LTA, ESI, PF)
- Income Tax Computation & Advance Tax Payment

DFA FEE STRUCTURE & CONCESSIONS

Category	Standard Fee	Discounted Lump Sum	Installment Plan (EMI)
General Category (GEN)	₹25,000	₹15,000	₹4,100 (Initial) + ₹3,000 × 4 Months = ₹16,100
Reserved Category (SC / ST / DP)	₹25,000	₹13,000	₹4,100 (Initial) + ₹2,500 × 4 Months = ₹14,100

Program 1: Advanced Excel 365 for MBA – HR Professionals

Practical HR Analytics | MIS | Reporting | Decision Support

A specialized, practical Advanced Excel 365 program designed for MBA-HR students to develop job-ready skills in HR MIS, recruitment analytics, payroll analysis, employee data management, performance analysis, workforce reporting and HR dashboards.

Duration: 3 Months

2 Classes / Week × 2 Hours

Practical & Project-Oriented

MRP: ₹18,000 | DISCOUNTED SPECIAL FEE: **₹12,500**

Detailed Curriculum (Modules 1 - 12)

- **Module 1:** Excel 365 Foundation for HR (Tables, named ranges, validation, filtering, security)
- **Module 2:** Advanced Excel Formulas (XLOOKUP, INDEX-MATCH, IFS, SUMIFS, Text & Date functions)
- **Module 3:** HR Data Management (Employee Master DB, attendance, leave, status tracking, data cleaning)
- **Module 4:** Recruitment Analytics (Funnel analysis, time-to-hire, cost-per-hire, recruiter KPIs)
- **Module 5:** Payroll & Compensation Analysis (Salary structures, deductions, CTC, increments, payroll MIS)
- **Module 6:** Attendance & Leave Management (Trackers, absenteeism %, overtime, monthly attendance dashboard)
- **Module 7:** Performance Management (KPI/KRA tracking, ratings, top/bottom performers, appraisal MIS)
- **Module 8:** Pivot Tables & Charts (Grouping, calculated fields, slicers, timelines, workforce breakdown)
- **Module 9:** Power Query for HR (Importing, cleaning, merging multiple monthly files, refreshable HR MIS)
- **Module 10:** HR Dashboard Development (KPI cards, attrition %, dynamic charts, management presentation)
- **Module 11:** Excel 365 AI & Productivity (AI formula assistance, natural language prompts, insights generation)
- **Module 12:** HR Analytics Projects (6 practical mini projects + Capstone Integrated HR Dashboard)

Eligibility & Career Applications

Eligibility: MBA / PGDM – HR students, BBA/B.Com graduates, HR executives, freshers seeking careers in HR/ MIS.

Career Roles: HR Executive | HR MIS Executive | HR Analyst | Recruitment Analyst | Payroll Executive | People Analytics Specialist.

Program 2: Advanced Excel 365 for MBA – Finance Professionals

Financial Analysis | Financial Modelling | MIS | Budgeting | Forecasting | Dashboards

A specialized, practical and project-oriented Advanced Excel 365 course designed for MBA-Finance students to develop job-ready skills in financial data analysis, financial modelling, budgeting, forecasting, investment analysis and management reporting.

Duration: 3 Months

2 Classes / Week × 2 Hours

100% Practical & Project-Oriented

MRP: ₹18,000 | DISCOUNTED SPECIAL FEE: ₹12,500

Detailed Curriculum (Modules 1 - 12)

- **Module 1:** Excel 365 for Finance (Formatting, tables, data validation, named ranges, security, MIS templates)
- **Module 2:** Advanced Excel Formulas (Logical, lookup, dynamic arrays, financial calculation formulas)
- **Module 3:** Financial Data Analysis (Revenue/expense analysis, variance, growth %, ratio calculations, trends)
- **Module 4:** Financial Statements in Excel (P&L, Balance Sheet, Cash Flow, Common-size & YoY analysis)
- **Module 5:** Financial Ratios (Liquidity, Leverage, Profitability, Efficiency, EPS calculations)
- **Module 6:** Budgeting & Forecasting (Budget vs Actual, variance, Goal Seek, Scenario Manager, Data Tables)
- **Module 7:** Financial Modelling (Revenue, cost, profit projection, integrated financial model, sensitivity analysis)
- **Module 8:** Investment & Business Analysis (NPV, IRR, XIRR, Payback, ROI, CAGR, loan amortization)
- **Module 9:** Pivot Tables & Financial MIS (Branch/product profitability, budget vs actual dashboards, timelines)
- **Module 10:** Power Query for Finance (Automating monthly data pipelines, transforming financial datasets)
- **Module 11:** Financial Dashboard Development (EBITDA, Cash Flow, ROI, interactive charts & KPI cards)
- **Module 12:** Excel 365 AI & Financial Productivity (AI anomaly detection, automated reporting tasks)

Eligibility & Career Applications

Eligibility: MBA / PGDM – Finance students, B.Com / BBA graduates, Finance executives, Accounts & MIS professionals.

Career Roles: Financial Analyst | Finance Executive | MIS Executive | Business Analyst | FP&A Executive | Credit Analyst.
