

Teacher's Day

Good morning

Respected, esteemed, worshipful teachers, my dear brothers and sisters

Today I'm extremely glad to unload my deep feelings on Teacher's Day.

Friends-

The word Gu-means darkness and Ru-means light. The one who can remove the ignorance of darkness in our life is Guru, teacher, mentor.

Great mystic poet Kabir says- **If Guru and Govind stand before me I shall touch first the lotus feet of my Guru, because Guru made me recognize who is Govind, who is God.**

What ever I'm today it's because of my teacher. A guru gets satisfaction when his student touches to the pearl of success, nectar of success.

Behind every successful person there is a hand of teacher. Behind every Doctor there is a hand of teacher, behind every success there is a teacher.

The only person in the world who is worshiped with flowers and garland is a teacher.

There are three kinds of teachers, first kind of teacher explains, second kind of teacher demonstrates but third kind of best and superlative teacher inspires. The best teacher teaches from his heart not from book The best teacher is like a candle who burns himself to light others.

Friends, there is a saying for our teachers

JOTHA HOI GURU NINDA TATHA NAJAIBO GURU NINDUKAR MUKH KABU NAHARIBO

Don't go to that place where people are telling against your teacher. Don't take look at that person who is telling against your teacher. They are the black spot on the fairy face of our nation.

I remind an odia saying -

(SKULKU GALA HI TAKU CHHATRA KUHAJAINAHI AU MANTRA NALA HA TAKU SISYA KUHAJAINAHI NIJARA ATMA KU SARBADA GURUNKA NIKATARA UNMUKTA RAKHIBAKU HUA)

He can't be the student who goes to school only, or he can not be the disciple/ sisya who has taken sisyata only we have to dedicate our heart and soul to our teacher.

That's what Jagat guru Sankara Charya explained-**GURU BRAHMA GURU BISNU GURU DEVA MAHASWARA GURU SAKHYAT PARAMBRAHMA TASMASHREE GURABA NAMAH**

Thank you.
