#1 INDUSTRIAL SAFETY TRAINING NETWORK IN BIHAR

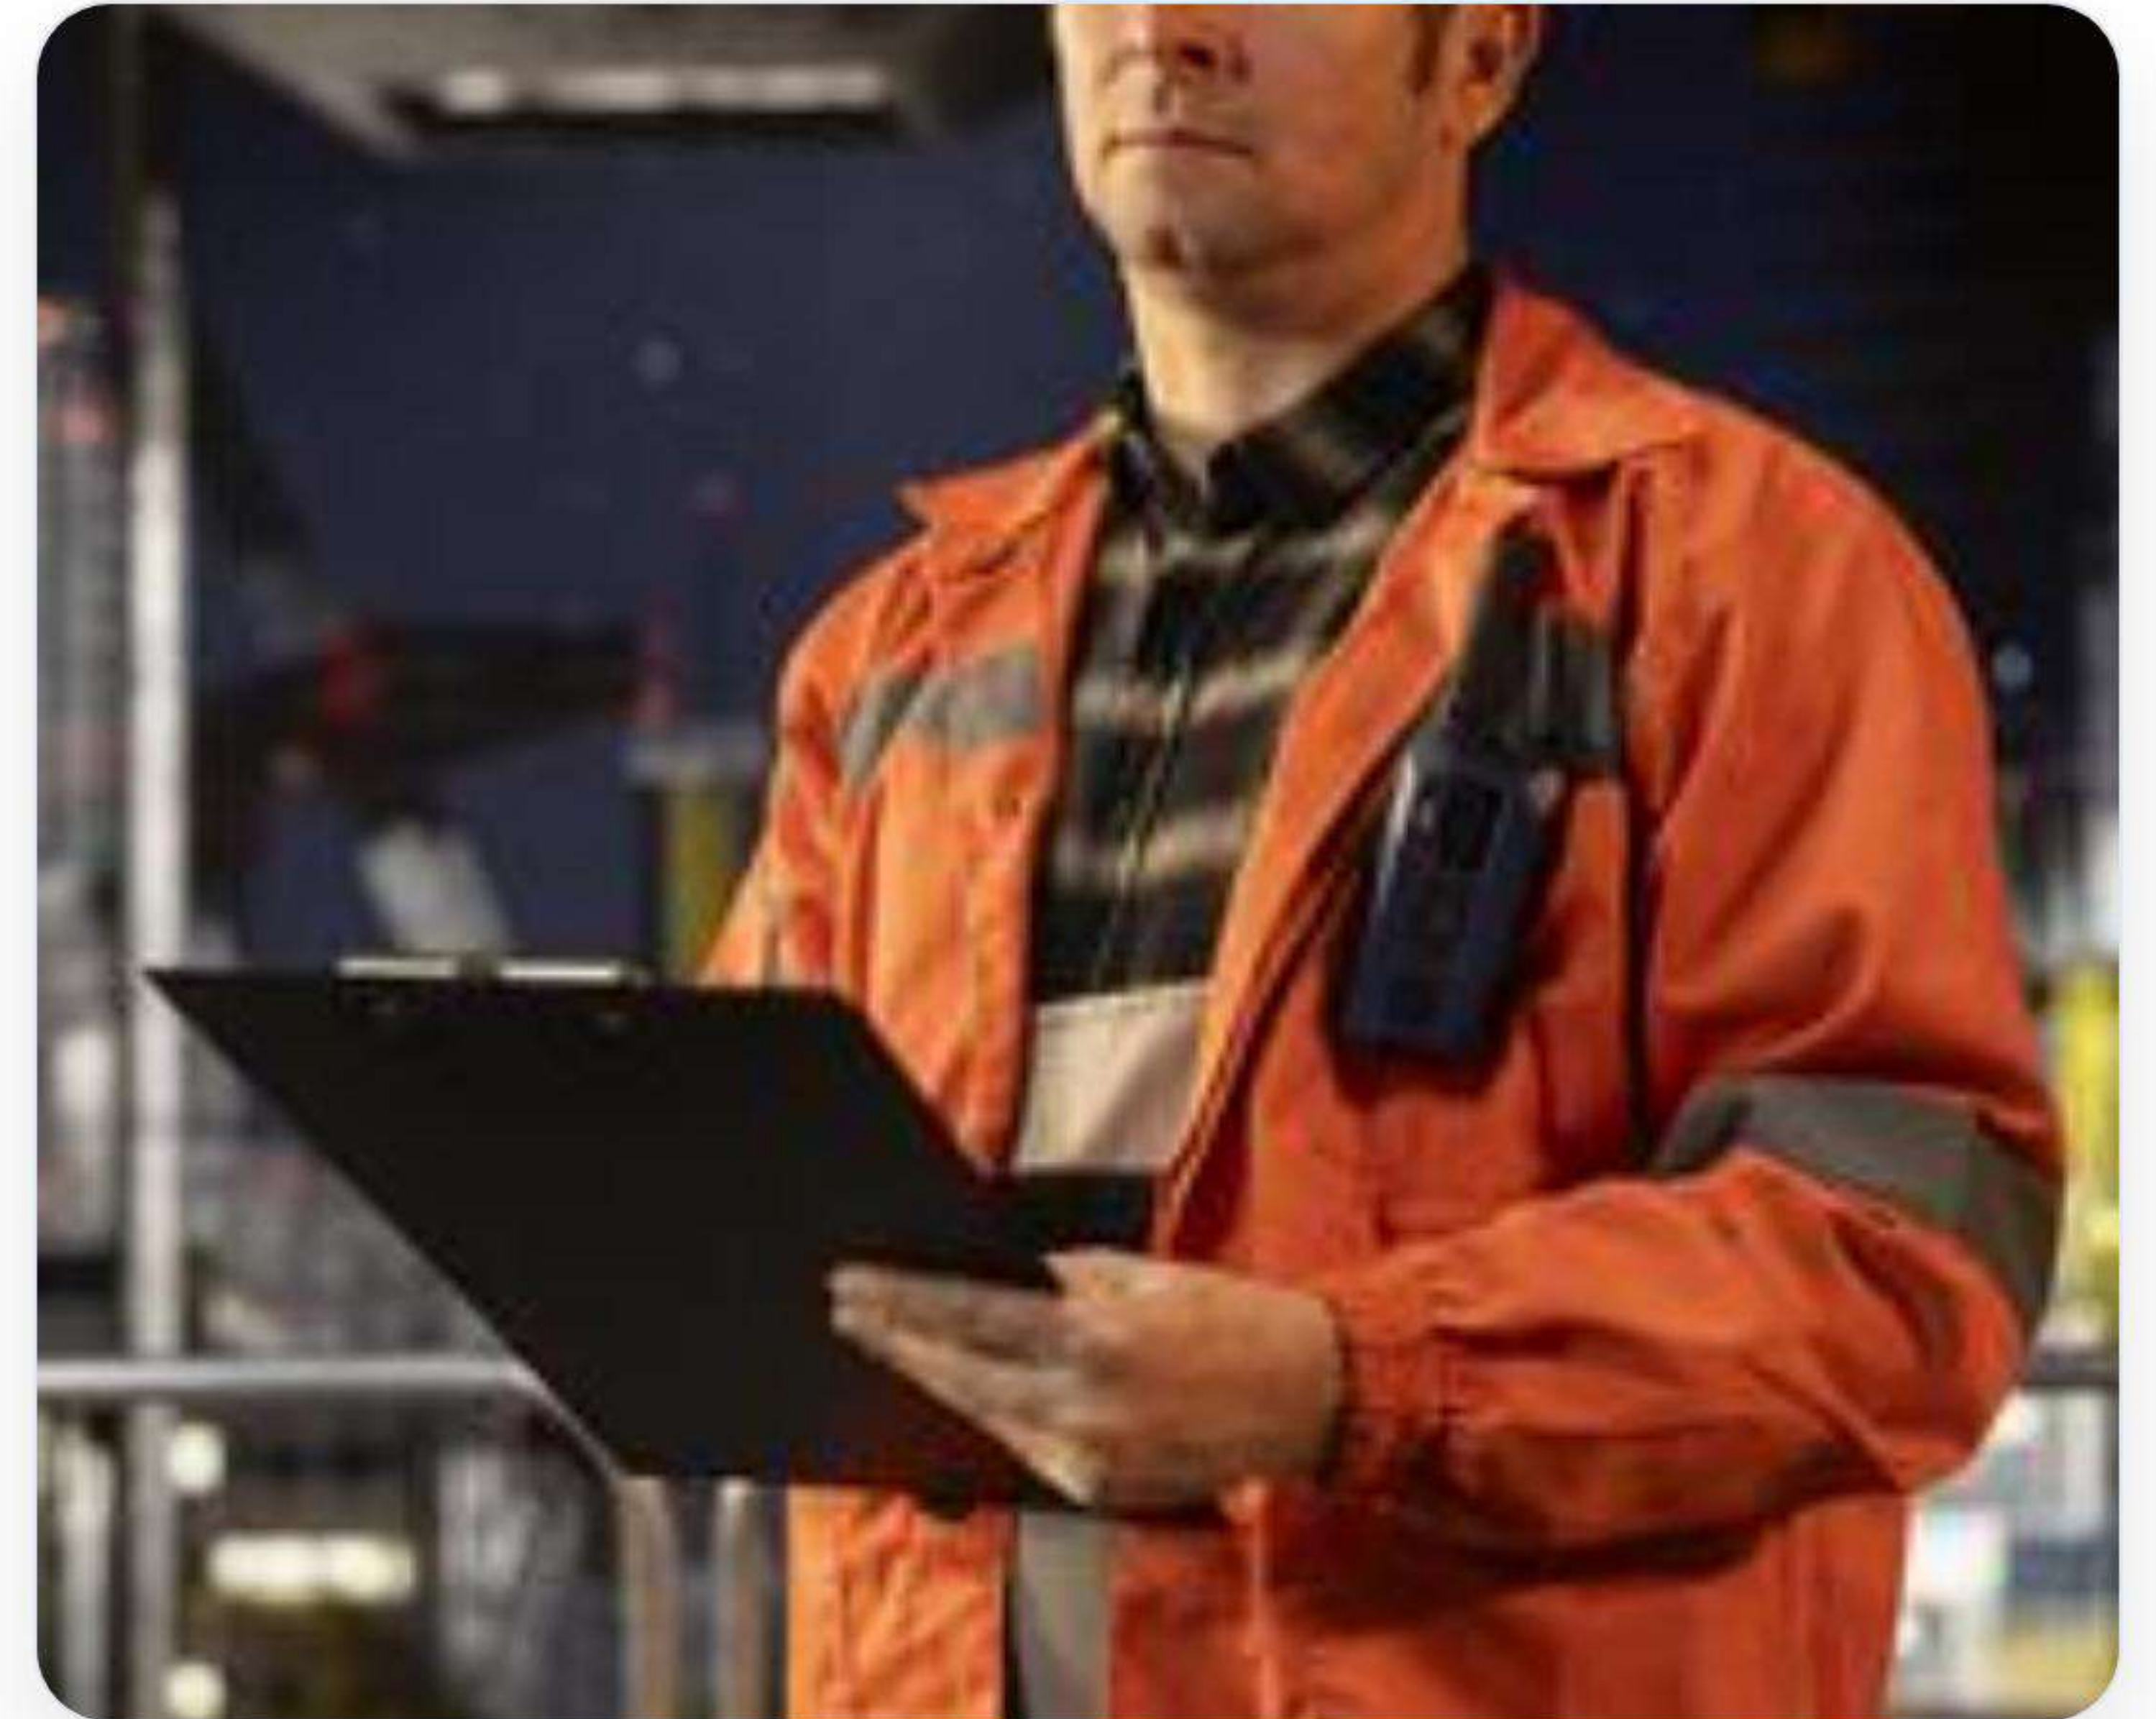

BUILD A SECURE GLOBAL CAREER

Transforming local talent into international safety experts

FUTURE OF SAFETY CAREER

Safety Officers are mandatory by law in all heavy industries worldwide—Construction, Oil & Gas, and Power Plants.

At **Yes Group**, we train you to meet international standards (HSE), making you eligible for high-paying roles in India and GCC countries (Dubai, Saudi, Qatar).

THE YES GROUP EDGE

Practical Training

Focused on hands-on experience with real safety equipment and industrial tools.

Job Guarantee

We stand by our students with a 100% "On-Paper" Job Placement assistance commitment.

Gulf Ready

Special orientation for students targeting high-salary jobs in the Gulf region.

TOP DIPLOMAS OFFERED

ADIS

Advanced Diploma in Industrial Safety

The premium qualification for aspiring safety engineers. Essential for roles in oil, gas, and infrastructure.

Fire & Safety

Diploma in Fire & Industrial Safety

Expert training in fire prevention, emergency response, and hazard control in factory environments.

STATE-OF-THE-ART CAMPUS

Our training center in Chhapra features digital classrooms and dedicated labs for practical safety drills.

We ensure every student masters the use of Fire Extinguishers, PPE, First Aid, and Emergency protocols before certification.
