Space-Saving Workstations for Modern Offices

Entry Series

Mainstream Series

Pro Series

Clean desks, powerful performance — integrated display, webcam, speakers, and keyboard in every unit

MAKE IN INDIA

Designed, engineered and manufactured in India for Indian corporate and institutional requirements

Why RDP All-in-One PCs

Modern workplaces demand clean desks, easy deployment, and standardised equipment. All-in-One PCs deliver everything in one integrated form factor — display, webcam, speakers, mic, and keyboard included.

That is why we have launched a 3-series AIO portfolio with fixed standard SKUs for every workspace need.

Our approach: 80% standard SKUs + 20% project customisation

So customers can choose quickly from ready configurations and still customise for large rollouts

Standard SKUs (Intel + AMD)

Entry: 3 Intel + 3 AMD (21.5" / 23.8" FHD)

Mainstream: 3 Intel + 3 AMD (23.8" FHD / 27" QHD)

Pro: 3 Intel + 3 AMD (23.8" FHD / 27" QHD)

Total: 18 standard All-in-One PCs

Project Customisation

RAM upgrades (16/32/64/128GB)

SSD upgrades and dual storage

Wi-Fi/BT, faster LAN options (2.5GbE)

Privacy shutters, IR camera options

Warranty extensions (3Y to 5Y)

Pan India Support with SLA Commitment

Onsite support network, spare parts inventory, and committed SLAs for enterprise and institutional buyers
